ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

This Agency Plan is the result of careful and conscientious collaboration among Housing Authority Commissioners, local government representatives, program residents and participants, and Housing Authority staff.

This Agency Plan reaffirms the Housing Authority's commitment to its mission of providing quality, affordable housing that is decent, safe and sanitary to eligible families in the community by continuing its current Public Housing, Section 8 and HOME Rental programs.

The Housing Authority will continue its Section 8 Homeownership Program. It will continue to create more unsubsidized affordable housing opportunities in the community by either acquiring existing rental properties or constructing new ones. The Housing Authority will continue its partnerships with the City of North Las Vegas and local non-profits towards their mutual goal of revitalizing old neighborhoods and increasing the availability of affordable housing units to low and moderate income families including the elderly and disabled.

This Agency Plan also reflects some changes in the Public Housing Admissions and Continued Occupancy Policy (ACOP) and the Section 8 Administrative Plan.

Public Housing Program residents and Section 8 program participants played a vital role in the development of this Agency Plan in their capacity as a "Resident Advisory Board" (RAB) which contributed input into policies and strategies contained in this Plan.

The Housing Authority is proud of this Agency Plan. As in any plan, the Housing Authority expects that it may become necessary to make changes to this Plan in the future. The agency will monitor its performance and progress with regards to this Plan and will do its best to stay on course in order to maximize its goal of addressing the needs of the community it serves. Funding through tax credits and/or bonding capacity will be explored as necessary.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

Housing Needs of Families on the Waiting List

Note: Our Section 8 waiting list is intentionally maintained at low levels based on our desire not to create the illusion of being able to be housed quickly (realistically a family may have to wait 2-3 years to be housed). We presently have 161 applicants on our waiting list. We conduct a lottery style application intake process and draw names (between 200 and 250) from the lottery barrel periodically and the selected families are placed on the waiting list. The lottery will be opened again before the start of the 2007-2008 fiscal year.

Broad Range of Income Policy:

HACNLV has a “Broad Range of Income Policy” which calls for identifying Gross Income thresholds (ranges) and setting target percentages of families belonging to each income range in relationship to the population of residents in each development. The purpose of this policy is to strike a reasonable balance in the percentage of families with different levels of income around the development and to avoid a disproportionate concentration of families of any one income range.

HACNLV will gather data and analyze periodically, at least annually, the distribution of families by income thresholds.

HACNLV will give a local preference to a family who belongs to the income threshold that is needed to achieve the target percentage established. Skipping of a family on the waiting list specifically to reach another family with a lower or higher income is not to be considered an adverse action to the family. Such skipping will be uniformly applied until the target threshold is met.

This policy will not be used to circumvent HUD’s income targeting requirements.

4. Relationship of preferences to income targeting requirements:

- Not applicable: the pool of applicant families ensures that the PHA will meet income targeting requirements
